ASA's Annual Silent Auction was held in conjunction with Awards Night. Happy Hill Farm participated again in this year's celebration. Six students from HHF helped set up the auction items & assisted with registration. They were a delight. Proceeds from the Auction benefit ASA and Happy Hill Farm.

We want to thank everyone that made the evening such a success. The Fundraiser Committee that worked so hard bringing in items for the Silent Auction and those that made donations, Jim Hollis (Baker Drywall) that did an outstanding job as our emcee, everyone that came out for the evenings' events, and especially to all the award nominees. It was a pleasure to spend the evening with you.
