

# 2024 General Contractors Awards

## INTRODUCTION

Your company has the opportunity to compete for honors in the construction industry's premier annual awards program – the ASA Construction Awards competition – recognizing the outstanding general contractor projects of the year. Use this application and the included forms to enter your company's best project(s). This is an easy electronic submission; no notebooks need to be created, and you will submit the information electronically. You may enter as many projects as you would like in any project size category. Each project submission will cost \$525.00. Single family dwellings (residential) are excluded from this competition. Projects must have been completed by December 31st, 2023.

All award winners will be recognized at the June 6th, 2024 awards celebration. The ceremony will feature a multi-media presentation highlighting the winners through videos about each submitted project, and a printed program highlighting each submission. All winners will be recognized by ASA North Texas in the multimedia presentation, printed program and ASA Website and a press release for Award winners will be distributed to construction-related media outlets. We will provide you the video created from your awards submission after the event. You have all copyright use of this material.

## JUDGING

Your submissions are judged by a panel of three distinguished judges. They will be sent a short survey in which they will rank your performance on a scale of 1-10 in the following categories below.

Please submit 10 photos to be included in the marketing material for the event. Also provide a FOUR sentence summary of the project. Pictures must include works in progress and completion photos. All photos may be submitted electronically to [awards@asa-northtexas.org](mailto:awards@asa-northtexas.org). Applicants will receive a video of the project for your own use, we will post video on our YouTube site.

## PROJECT ENTRY STEPS

1. Submit the Google Form application with answers and email the photos no later than Friday, April 5th 2024 by 11:59 pm to [awards@asa-northtexas.org](mailto:awards@asa-northtexas.org). Note that the applications become the property of ASA and will be used for marketing purposes.
2. Project Entry Fee – After you submit your project entry, you will receive an invoice from ASA North Texas for the cost of entry as denoted by each category below. If you are submitting multiple projects, you may combine the entry fees in one check as we will only send you one invoice.

---

\* Indicates required question

1. I will be submitting a project in the following project size category. Each submission will cost \$525.00.

*Mark only one oval.*

- Under \$2,000,000
