

# YOU'RE INVITED!

## SUB-CREDITOR GROUP MEETING

You're more than a contractor. You are in the business of extending interest-free loans on payment terms to your customers. Are you securing your debts the way a bank does?

Would your company benefit from a group that:

- Discusses best practices?
- Provides credit information on GC's and customers you work with?
- Provides education?
- Helps mitigate risk (via)?
  - contract discussions
  - credit reports
